

Bag hanger C01

Bag hanger
C01

Electrostatically applied paint made of thermoplastic powder, baked in a high-temperature oven, and white enamel finish resistant to corrosive cleansers and impact will protect the steel against corrosion for decades to come.

Can be installed on the majority of surfaces or at any distribution points for products concerned with the infection control area.

18.00\$ 1 to 12 units

16.20\$ 12 + units
