

Model A9  
18" x 18"

**Rigid styrene backing (plastic)**

Backing of the signs is designed for and made of 1/8" rigid styrene (plastic).  
Printing on the vinyl is in high definition using UV ink, and a protective film covers it to ensure excellent durability.  
It can be cleaned using ordinary disinfectant products.

For hand-washing stations an aluminum hook as well as a fixed magnet are supplied on the back.  
Medic Acces offers you the opportunity to customize the messages, to include your company logo and to adapt them according to your requirements.

Stations A, B and C for station and wall stations with interchangeable messages or for wall display.

Prices for stations A-B-C include two signs or only one in the case of wall stations.

Extra signs :  
\$42.50 (one to twelve units),  
\$40.38 (twelve units and over).  
Delivery charges and taxes not included.
